OBJECTIVE

Seeking an opportunity to apply technical skills in software development and machine learning while gaining practical experience through real-world projects. Interested in learning new technologies and contributing effectively in a collaborative environment.

EDUCATION

Lakireddy Bali Reddy College of Engineering *(2023 – 2027)*
B.Tech in Computer Science and Engineering (AI & ML)
CGPA: 8.92/10 (Till 6th Semester)

Sri Pratibha Junior College *(2021 – 2023)*
Intermediate (MPC) | **Percentage:** 97%

VK Government High School *(2020 – 2021)*
SSC | **Percentage:** 98.83%

SKILLS

- **Languages:** Java, Python
- **Web Development:** HTML, CSS, JavaScript
- **Database:** MySQL
- **Core Subjects:** Data Structures & Algorithms, Artificial Intelligence and Machine Learning
- **Tools:** GitHub, VS Code
- **Soft Skills:** Communication, Team Collaboration, Time Management, Adaptability.

INTERNSHIPS

- **CodTech IT Solutions — Java Programming Intern** (*June 2025 – July 2025)*
  Worked on Java programming concepts and application development.
- **Placemantra — Machine Learning Intern** (*April 2025 – June 2025)*
  Performed data preprocessing and model evaluation using real-world datasets.

PROJECTS

- **Skin Lesion Classification using Deep Learning**
  Developed a CNN-based skin lesion classification system using TensorFlow and Flask for image-based disease prediction, confidence score display, and an interactive web interface.
- **Quiz_Generator**
  Developed a Quiz Generator web application using Python, Flask, MySQL, HTML, CSS, and JavaScript for creating and managing quizzes, generating questions, and displaying quiz results through an interactive web interface.

CERTIFICATIONS

- **Programming using Java** – Infosys Springboard – Nov 2024
- **Introduction to MySQL** – Infosys Springboard – Aug 2026
